### Take Charge Pollution Prevention Programme

Te Awarua-o-Porirua Whaitua Committee meeting 6 October 2016

### Aims of Take Charge

- Improve the environmental performance of businesses
- Ensure compliance with permitted activities and other regional rules
- Reduce the risk of environmental incidents occurring

### Aims of Take Charge

### Result

Less contaminants in Te Awarua-o-Porirua Harbour

# Take Charge in the GWRC context

- Current Plans and the Proposed Natural Resource Plan
  - Permitted Activities
  - Other methods in the PNRP
    - Te Awarua-o-Porirua Harbour restoration
    - Good Management practices

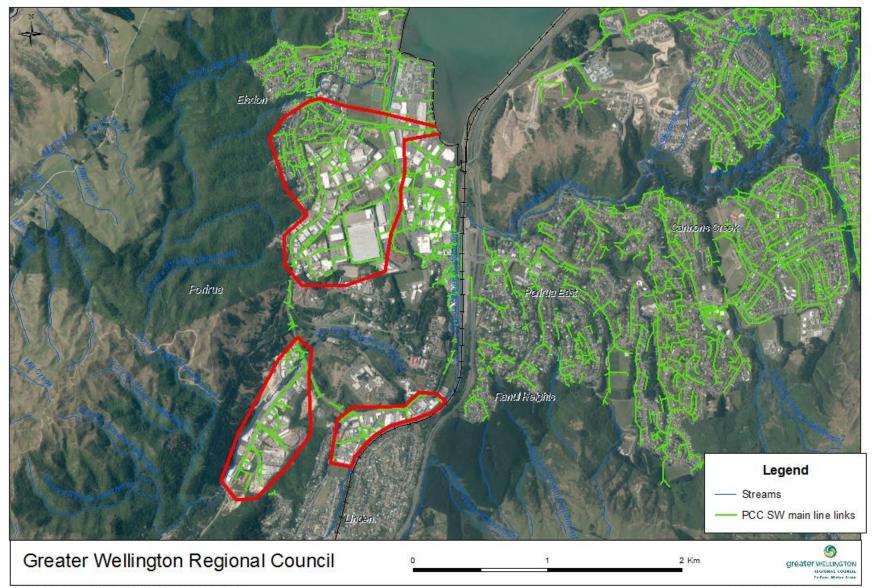

# Take Charge in the GWRC context continued

- Te Awarua-o-Porirua Harbour Strategy and Action Plan
  - Reduce Sedimentation Rates
  - Reduce Pollution
  - Restore Ecological Health

### Stormwater and industrial areas

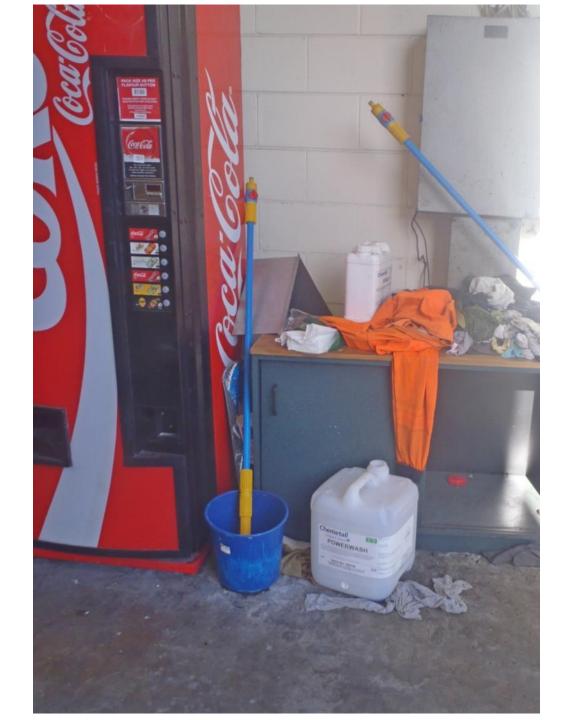

# Common issues found on site

- Washing of vehicles and/or equipment where the washwater reaches the stormwater network
- No secondary containment of hazardous substances
- Lack of appropriate spill kits and spill procedures

#### Material Safety Data Sheet

Page 4 of 5 Issue date: September 2010

#### **POWERWASH**

#### Toxicological Data:

There is no other toxicological information available for this product.

#### 12. ECOLOGICAL INFORMATION

#### **Ecotoxity:**

This substance may cause long term adverse effects in the aquatic environment. Do not release to the environment. Collect spillage

#### 14. TRANSPORT INFORMATION

Road Transport

UN Number: None applicable

Proper Shipping Name: None applicable Dangerous Goods Class: Not applicable

Packing Group: 0

#### 15. REGULATORY INFORMATION

HAZARDOUS ACCORDING TO ERMA CRITERIA: HSR002530 Cleaning products (subsidiary hazard)

NOT HAZARDOUS ACCORDING TO NZS 5433:2007 LAND TRANSPORT

### Challenges

### Challenges

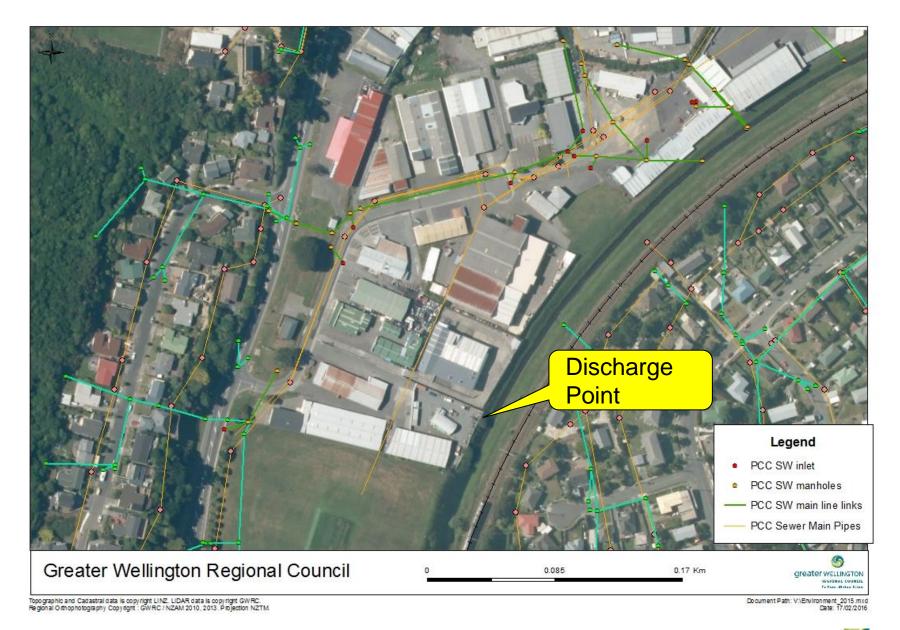

- Working with other organisations e.g. WWL, PCC
- Evidence of non compliance
- Trying to minimise risk no breech of rules, plans do not promote preventative measures
- Behaviour change
- RMA relationship with HSNO
- Limited drainage plan information
- Change of land use

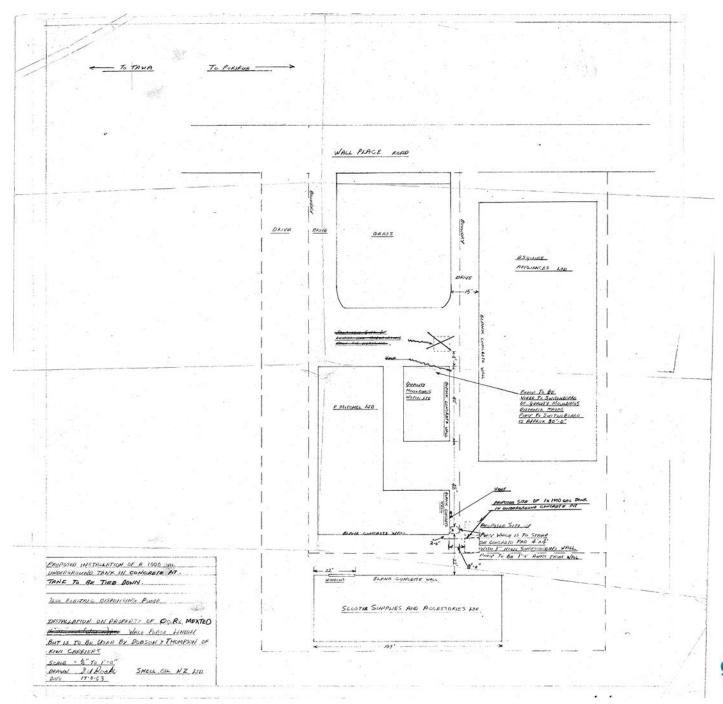

# A Case Study - When Take Charge goes above and beyond

12 Gray St. Jay Pukura Jay 21. 7. 74

Dear dis, as owner of Lot 3 D. P. 18576 I give
the D. S. World my permission, to run a stormusi
drain from his adjoining property through more
to the Trenchyon stream, but that also be gives
to the Trenchyon stream for any future development that
me, access to the drain for any future development that
me, may do.

Your fittfulls
